Exploration Programs

The Company has acquired and is exploring mineral properties in British Columbia and Ontario, Canada and Nevada, USA. It has also announced, at December 24, 2013, a transaction to merge with Elephant Copper Ltd., whose primary asset is the Mkushi copper mine in Zambia.

Nivloc Mine, Nevada Property

Subject to securing further financings, the Company will continue its exploration programs on the Nivloc property, as set out in the Company's NI 43-101 Technical Report dated July 31, 2012, which can be found on at www.sedar.com or the Company's website www.immc.ca. The report concludes that the area tested by the 2011 drilling program on the Nivloc Property contains an Inferred Mineral Resource, at 40 g/t Ag cut-off, of 1,640,000 tonnes at a grade of 106.47 g/t Ag and 0.78 g/t Au.

Management is focused on polymetallic projects and is working towards building a strong, stable and well financed mineral exploration and small mines mining company. Emerging mineral targets include silver, gold, copper, molybdenum, zinc, lead and platinum group metals.

Resignation of Director

The Company also announces that Norm Brewster resigned as a director of the Company effective January 8, 2014. Mr. Brewster decided to step down from the board of the Company due to other work commitments. Mr. Versfelt, International Millennium Mining's President & CEO stated, "We appreciate the contributions Mr. Brewster has made to the Company over the past nine years and I personally wish Mr. Brewster the greatest amount of success and enjoyment with his future endeavours."

International Millennium Mining Corp. (TSX-V: IMI) is a mineral exploration and development company engaged in acquiring known smaller mine deposits, such as its Nivloc, Nevada silver-gold mine project, with the goal of advancing the properties to the mining stage. Emerging targets include silver, gold, copper, molybdenum, zinc, lead and platinum group metals. The Company's common shares trade on the TSX Venture Exchange under the symbol: IMI and on the Frankfurt Exchange under the symbol: L9J. Additional information about International Millennium Mining Corp. and its mineral property interests, including technical reports, is available on the internet at the SEDAR website www.sedar.com, or on the Company's website www.immc.ca.
